MAYES PROPOSED AMENDMENT # 2

DATE PREPARED: January 29, 2009, 1:00 p.m.

COMPANY: Ridgeline Water Company, LLC

AGENDA ITEM NO. U-9

DOCKET NO. W-20589A-08-0173

OPEN MEETING DATE: February 3-4, 2009

Page 22, line 3.5, INSERT NEW FINDING OF FACT: "Since Ridgeline is located in the Tucson Active Management Area, it will be required to comply with conservation goals and management practices of the Arizona Department of Water Resources ("ADWR"). In light of the prolonged drought in Arizona, we believe it is reasonable to require Ridgeline to go beyond the ADWR requirements. Therefore, we will require Ridgeline to implement within 90 days of the effective date of this Decision, at least five more Best Management Practices ("BMP") (as outlined in ADWR's Modified Non-Per Capita Conservation Program) than would be required for a water company of its customer size. Only one of these BMP's shall come from the "Public awareness/PR or Education and Training" categories of the BMP's."

Page 30, line .5, INSERT NEW ORDERING PARAGRAPH:

"IT IS FURTHER ORDERED that Ridgeline Water Company, shall implement within 90 days of the effective date of this Decision at least five more Best Management Practices (as outlined in ADWR's Modified Non-Per Capita Conservation Program) than would otherwise be required for a water company of its customer size and submit those BMP's to Docket Control within 90 days of the effective date of this Decision. Only one of these BMP's shall come from the "Public awareness/PR or Education and Training" categories of the BMP's."

Make all conforming changes as necessary.
